EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

ARTICLE 1 – PREAMBLE

1.01 - PREAMBLE

The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Hospital and the employees covered by this Agreement; to provide for ongoing means of communication between the Union and the Hospital and the prompt disposition of grievances and the final settlement of disputes and to establish and maintain mutually satisfactory wages, hours of work and other conditions of employment in accordance with the provisions of this Agreement.

It is recognized that the employees wish to work efficiently together with the Hospital to secure the best possible care and health protection for patients

1.02 – FEMININE/MASCULINE PRONOUNS

Wherever the feminine pronoun is used in this Agreement, it includes the masculine pronoun and vice versa where the context so requires.

ARTICLE 2 – DEFINITIONS

2.01 – TEMPORARY EMPLOYEE

Employees may be hired for a specific term not to exceed six (6) months, to replace an employee who will be on approved leave of absence, absence due to WSIB disability, sick leave, long term disability or to perform a special non-recurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee and Hospital or by the Hospital on its own up to twelve (12) months where the leave of the person being replaced extends that far. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the collective agreement and any successful applicant who has completed his probation period will be credited with the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

ARTICLE 3 - RELATIONSHIP

3.01 – NO DISCRIMINATION

The parties agree that there shall be no discrimination within the meaning of the Ontario Human Rights Code against any employee by the Union or the Hospital by reason of race, creed, colour, age, sex, marital status, nationality, ancestry or place of origin, family status, handicap, sexual orientation, political affiliation or activity, or place of residence. The Hospital and the Union further agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

or practised by either of them or their representatives or members, because of an employee's membership or non-membership in a Union or because of his activity or lack of activity in the Union.

The Union shall be provided a copy of any written notice provided to an employee that he or she may be subject to termination, demotion, transfer, or other adverse impact for innocent absenteeism.

3.02 – ATTENDANCE MANAGEMENT

Days of absence arising out of a medically-established serious chronic condition, an on-going course of treatment, a catastrophic event, absence for which WSIB benefits are payable, medically necessary surgical interventions, or days where the employee is asymptomatic and is under a doctor's care from the commencement of symptoms for a confirmed communicable disease (and has provided medical substantiation of such symptoms) but is required to be absent under the Hospital or public health authority protocol, will not be counted for the purposes of being placed on, or progressing through, the steps of an attendance management program.

Leaves covered under the *Employment Standards Act* and leaves under Article 12 will not be counted for the purposes of being placed on, or progressing through, the steps of an attendance management program.

ARTICLE 4 – STRIKES & LOCKOUTS

The Union agrees there shall be no strikes and the Hospital agrees there shall be no lockouts so long as this Agreement continues to operate. The terms "strike" and "lockout" shall bear the meaning given them in the Ontario Labour Relations Act.

ARTICLE 5 – UNION SECURITY

5.01 – T4 SLIPS

The Hospital will provide each employee with a T-4 supplementary slip showing the dues deducted in the previous year for income tax purposes where such information is available or becomes readily available through the Hospital's payroll system.

5.02 – NOTIFICATION TO UNION

- (a) The Hospital will provide the union with a list, monthly, of all hirings, lay-offs, recalls, and positions which have been vacated within the bargaining unit where such information is available or becomes readily available through the Hospital's payroll system.
- (b) **The Hospital will provide the Union with the current mailing address and phone number(s) it has on record of all members of the bargaining unit twice a year in electronic form.**

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

5.03 – EMPLOYEE INTERVIEW

A new employee will have the opportunity to meet with a representative of the Union in the employ of the Hospital for a period of up to 15 minutes during the employee's orientation period without loss of regular earnings. The purpose of the meeting will be to acquaint the employee with such representative of the Union and the collective agreement.

Such meetings may be arranged collectively or individually for employees by the Hospital as part of the orientation program.

5.04 – NO OTHER AGREEMENTS

No employee shall be required or permitted to make any written or verbal agreement with the Hospital or its representative(s) which conflicts with the terms of this agreement.

No individual employee or group of employees shall undertake to represent the union at meetings with the Hospital without proper authorization from the union.

ARTICLE 6 – UNION REPRESENTATION AND COMMITTEES

6.01 – UNION ACTIVITY ON PREMISES AND/OR ACCESS TO PREMISES

The Union agrees that neither it, nor its officers, agents, representatives and members will engage in the solicitation of members, holding of meetings or any other Union activities on Hospital premises or on Hospital time without the prior approval of the Hospital, except as specifically provided for in this Agreement. Such approval will not be unreasonably denied.

6.02 – LABOUR-MANAGEMENT COMMITTEE

(a) Where the parties mutually agree that there are matters of mutual concern and interest that would be beneficial if discussed at a Labour Management Committee Meeting during the term of this Agreement, the following shall apply.

(b) An equal number of representatives of each party as mutually agreed shall meet at a time and place mutually satisfactory. A request for a meeting hereunder will be made in writing prior to the date proposed and accompanied by an agenda of matters proposed to be discussed, which shall not include matters that are properly the subject of grievance or negotiations for the amendment or renewal of this agreement.

Any representative(s) attending such meetings during their regularly scheduled hours of work shall not lose regular earnings as a result of such attendance.

(c) It is agreed that the topic of a rehabilitation program for drug and alcohol abuse is an appropriate topic for the Labour-Management Committee.

It is also agreed that the topic of the utilization of full-time and part-time staff is an appropriate topic for the Labour-Management Committee. The committee shall have access to work schedules and job postings upon request.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

- (d) It is understood that joint meetings with other Labour-Management Committees in the Hospital may be scheduled concerning issues of mutual interest if satisfactory to all concerned.
- (e) Where two or more agreements exist between a Hospital and CUPE the Committee may be a joint one representing employees under both agreements, unless otherwise agreed.

6.03 – LOCAL BARGAINING COMMITTEE

The Hospital agrees to recognize a negotiating committee comprised of hospital employee representatives of the Union for the purpose of negotiating a renewal agreement (as set out in the Local Provisions Appendix). The Hospital agrees to pay members of the negotiating committee for straight time wages lost from their regularly scheduled working hours spent in direct negotiations for a renewal agreement, up to but not including arbitration. Nothing in this provision is intended to preclude the Union negotiating committee from having the assistance of any representatives of the Canadian Union of Public Employees when negotiating with the Hospital.

When direct negotiations begin or end within ten (10) hours of a negotiating team member's scheduled shift, the Hospital will endeavour to provide a one day's leave of absence without pay, to provide a sufficient rest break if the employee so requests. Such request shall not be unreasonably denied. Such leave shall be considered leave of absence for union business, but shall not be deducted from the Union entitlement under Article 12.02.

6.04 – CENTRAL BARGAINING COMMITTEE

- (a) In central bargaining between the Canadian Union of Public Employees and the participating hospitals, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from his normal straight time working hours at his regular rate of pay and without loss of leave credits for attending central negotiating meetings with the Hospitals' Central Negotiating Committee in direct negotiations up to the point of arbitration. In addition, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from his normal straight time working hours at his regular rate of pay and without loss of leave credits for two (2) days of preparation time for such central negotiating meetings with the Hospital's Central negotiating Committee. Upon reference to arbitration, the Negotiating Committee members shall receive unpaid time off for the purpose of attending arbitration hearings.

It is understood and agreed that the maximum number of Union Central Negotiating Committee members entitled to payment under this provision shall be eight (8), and in no case will more than one employee from a hospital be entitled to such payment.

The Union shall advise the Hospitals' Central Negotiating Committee, before negotiations commence, of those employees to be paid under this provision. The Hospitals' Central Negotiating Committee shall advise the eight (8) Hospitals accordingly.

- (b) Vice-Presidents of the Ontario Council of Hospital Unions shall be granted leave of absence by their employers in accordance with (a) above or Article 12.02 as the case may be, in order to fulfil the duties of their position.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

6.05 – UNION STEWARDS

- (a) The Hospital agrees to recognize Union stewards to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period for the purpose of dealing with Union business as provided under this Collective Agreement.
- (b) A Chief Steward or designate may, in the absence of any steward, assist in the presentation of any grievance, or with any steward function.
- (c) The Union shall keep the Hospital notified in writing of the names of Union stewards appointed or selected under this Article as well as the effective date of their respective appointments.
- (d) It is agreed that Union stewards have their regular duties and responsibilities to perform for the Hospital and shall not leave their regular duties without first obtaining permission from their immediate supervisor. If, in the performance of his duties, a Union steward is required to enter an area within the Hospital in which he is not originally employed, he shall report his presence to the supervisor in the area immediately upon entering it. Such permission shall not be unreasonably withheld. When resuming his regular duties and responsibilities, such steward shall again report to his immediate supervisor. A Union steward shall suffer no loss of earnings for time spent in performing the above duties during his regular scheduled working hours.
- (e) Nothing in this Article shall preclude full-time stewards from representing part-time employees and vice-versa.
- (f) The number of stewards and the areas which they represent, are to be determined locally.

6.06 – GRIEVANCE COMMITTEE

The Hospital will recognize a Grievance Committee composed of the Chief Steward and not more than (as set out in Local Provisions Appendix) employees selected by the Union who have completed their probationary period. A general representative of the Union may be present at any meeting of the Committee. The purpose of the Committee is to deal with complaints or grievances as set out in this Collective Agreement.

The Union shall keep the Hospital notified in writing of the names of the members of the Grievance Committee appointed or selected under this Article as well as the effective date of their respective appointments.

A Committee member shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending grievance meetings with the Hospital up to, but not including arbitration. The number of employees on the Grievance Committee shall be determined locally.

ARTICLE 7 – GRIEVANCE AND ARBITRATION PROCEDURE

- 7.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.
- 7.02 At the time formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right upon request to the presence of his/her steward. In the case of suspension or discharge the Hospital shall notify the employee of this right in advance.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

7.03 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. The grievor may have the assistance of a union steward if he or she so desires. Such complaint shall be discussed with his immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following advice of his immediate supervisor's decision in the following manner and sequence:

Step No. 1

The employee, who may be accompanied by a steward, may submit a written grievance signed by the employee to (designated by Hospital). The grievance shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement which are alleged to be violated. The Union and the Hospital may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. The (designate) will deliver his decision in writing within nine (9) calendar days following the day on which the grievance was presented to him. Failing settlement or response, then:

Step No. 2

Within nine (9) calendar days following the decision in Step No.1, the grievance may be submitted in writing to the (designated by Hospital). A meeting will then be held between the (designate) and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 2 unless extended by agreement of the parties. It is understood and agreed that a representative of the Canadian Union of Public Employees and the grievor may be present at the meeting. It is further understood that the (designate) may have such counsel and assistance as he may desire at such meeting. The decision of the Hospital shall be delivered in writing within nine (9) calendar days following the date of such meeting.

7.04 A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which such employee could himself institute and the regular grievance procedure shall not be thereby bypassed.

7.05 Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present a group grievance in writing identifying each employee who is grieving to the Department Head or his designee within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

7.06 The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration. A claim by an employee who has completed his probationary period that he has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the employee with the Hospital at Step No. 2 within seven (7) calendar days after the date the discharge or suspension is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

- (a) confirming the Hospital's action in dismissing the employee; or
- (b) reinstating the employee with or without full compensation for the time lost; or
- (c) by any other arrangement which may be deemed just and equitable.

Wherever the Hospital deems it necessary to suspend or discharge an employee, the Hospital shall notify the Union of such suspension or discharge in writing. The Hospital agrees that it will not suspend, discharge or otherwise discipline an employee who has completed his probationary period, without just cause.

- 7.07 (a) Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within eighteen (18) calendar days after the decision under Step No. 2 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within sixteen (16) calendar days after the decision under Step No. 2, it will be deemed to have been received within the time limits.
- (b) The parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding (a) above, the parties may, upon mutual agreement, engage the services of a mediator in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator.
- 7.08 All agreements reached under the Grievance Procedure between the representatives of the Hospital and the representatives of the Union will be final and binding upon the Hospital and the Union and the employees.
- 7.09 When either party requests that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time name a nominee. Within seven (7) calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking Arbitration Procedure. The two nominees shall attempt to select by agreement a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within a period of fourteen (14) calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.
- 7.10 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 7.11 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 7.12 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 7.13 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and, where there is no majority the decision of the chairman will be final and binding upon the parties hereto and the employee or employees concerned.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

- 7.14 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairman of the Arbitration Board.
- 7.15 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 48 (16) of The Labour Relations Act.
- 7.16 Wherever Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

ARTICLE 8 – ACCESS TO FILES

8.01 – ACCESS TO PERSONNEL FILE

Each employee shall have reasonable access to his/her personnel file for the purpose of reviewing any evaluations or formal disciplinary notations contained therein, in the presence of the Director of Personnel or designate. An employee has the right to request copies of any evaluations in this file.

8.02 – CLEARING OF RECORD

Any letter of reprimand, suspension or any other sanction will be removed from the record of an employee eighteen (18) months following the receipt of such letter, suspension or other sanction provided that such employee's record has been discipline free for one year. All leaves of absence in excess of ten (10) calendar days will not count toward either of the above periods.

ARTICLE 9 – SENIORITY

9.01 – PROBATIONARY PERIOD

A new employee will be considered on probation until he has completed **sixty (60)** days of work (or **450** hours of work for employees whose regular hours of work are other than the standard work day), within any twelve (12) calendar months. Upon completion of the probationary period he shall be credited with seniority equal to **sixty (60)** working days. With the written consent of the Hospital, the probationary employee and the President of the Local Union or designate, such probationary period may be extended. Any extensions agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration **unless the probationary employee is released for reasons which are arbitrary, discriminatory, in bad faith, or for exercising a right under this Agreement.**

9.02 – DEFINITION OF SENIORITY

Full-time employees will accumulate seniority on the basis of their continuous service in the bargaining unit from the last date of hire, except as otherwise provided herein.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

Seniority will operate on a bargaining unit wide basis.

9.03 – LOSS OF SENIORITY

An employee shall lose all seniority and service and shall be deemed to have terminated if he:

- (a) resigns;
- (b) is discharged and not reinstated through the grievance/arbitration procedure;
- (c) is retired;
- (d) is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing to the Hospital a satisfactory reason;
- (e) has been laid off for forty-eight (48) months;
- (f) if the employee has been laid off and fails to return to work within seven (7) calendar days after that employee has been notified by the Hospital through registered mail addressed to the last address on the records of the Hospital, subject to any special provisions regarding temporary vacancies noted under the heading of Layoff and Recall.

9.04 – EFFECT OF ABSENCE

Unless otherwise provided in the Collective Agreement:

- (a) It is understood that during an approved unpaid absence not exceeding thirty (30) continuous days or any approved absence paid by the Hospital, both seniority and service will accrue.
- (b) During an unpaid absence exceeding thirty (30) continuous calendar days, credit for service for purposes of salary increment, vacation, sick leave, or any other benefits under any provisions of the Collective Agreement or elsewhere, shall be suspended for the period of the absence in excess of thirty (30) continuous calendar days, the benefits concerned appropriately reduced on a pro rata basis and the employee's anniversary date adjusted accordingly. In addition, the employee will become responsible for full payment of any subsidized employee benefits in which he/she is participating for the period of absence, except that the Hospital will continue to pay its share of the premiums up to thirty (30) months while an employee is in receipt of WSIB benefits*. Such payment shall also continue while an employee is on sick leave (including the Employment Insurance Period) to a maximum of thirty (30) months from the time the absence commenced.

Notwithstanding this provision, service shall accrue for a period of fifteen (15) weeks if an employee's absence is due to a disability resulting in WSIB benefits.*

- (c) It is further understood that during such unpaid absence, credit for seniority for purposes of promotion, demotion, transfer or lay-off shall be suspended and not accrue during the period of absence. Notwithstanding this provision seniority shall accrue for the duration of the absence, if an employee's absence is due to a disability resulting in WSIB benefits*, or

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

while an employee is on paid or unpaid sick leave (including the Employment Insurance Period).

***Note: Add the words "or L.T.D. benefits" only in agreements providing L.T.D. benefits.**

9.05 – JOB POSTING

Any provision pertaining to definition of temporary vacancies, non-bargaining unit applications, outside advertising, interim placements or criteria for selection except as it relates to promotions and transfers that existed in the hospital's expiring collective agreement will be continued as the last paragraph of this Article.

- (a) Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Hospital, such vacancy shall be posted for a period of seven (7) consecutive calendar days. Applications for such vacancy shall be made in writing within the seven (7) day period referred to herein.
- (b) The postings shall stipulate the qualifications, classifications, rate of pay, department and shift and a copy shall be provided to the Chief Steward.
- (c) Vacancies created by the filling of an initial permanent vacancy will be posted for a period of three (3) consecutive calendar days, excluding Saturdays, Sundays and Holidays. Applications for such vacancies shall be made in writing within the three (3) day period referred to herein.
- (d) In matters of promotion and staff transfer appointment shall be made of the senior applicant able to meet the normal requirements of the job. Successful employees need not be considered for other vacancies within a six (6) month period unless an opportunity arises which allows the employee to change his or her permanent status.

- (f) The name of the successful applicant will be posted on the bulletin board for a period of seven (7) calendar days.
- (g) Where there are no successful applicants from within this bargaining unit for vacant positions referred to in this Article, employees in other CUPE bargaining units at the Hospital will be selected in accordance with the criteria for selection above, prior to considering persons who are not members of CUPE bargaining units at the Hospital. The employees eligible for consideration shall be limited to those employees who have applied for the position in accordance with this Article, and selection shall be made in accordance with this Article.
- (h) The successful applicant shall be allowed a trial period of up to thirty (30) days, during which the Hospital will determine if the employee can satisfactorily perform the job. - (i) A list of vacancies filled in the preceding month under this Article and the names of the successful applicants will be posted, with a copy provided to the union.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

9.06 – TRANSFER AND SENIORITY OUTSIDE THE BARGAINING UNIT

- (a) It is understood that an employee shall not be transferred by the Hospital to a position outside the bargaining unit without his consent except in the case of temporary assignments not exceeding six (6) months. This period may be extended a further six (6) months upon the agreement of the employee and the Hospital. Such employees on temporary assignments shall remain members of the bargaining unit.
- (b) An employee who is transferred to a position outside the bargaining unit shall not, subject to (c) below, accumulate seniority. In the event the employee is returned by the Hospital to a position in the bargaining unit within twenty-four (24) months of the transfer he or she shall be credited with the seniority held at the time of transfer and resume accumulation from the date of his or her return to the bargaining unit. An employee not returned to the bargaining unit within 24 months shall forfeit bargaining unit seniority.
- (c) In the event an employee transferred out of the bargaining unit under (a) or (b) above is returned to the bargaining unit within a period of twelve (12) calendar months, he shall accumulate seniority during the period of time outside the bargaining unit.

The above-noted employee shall be allowed a trial period of up to thirty (30) days, during which the Hospital will determine if the employee can satisfactorily perform the job. Within this period the employee may voluntarily return, or be returned without loss of seniority to his former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes which would have occurred had he not transferred.

9.07 (B) – PORTABILITY OF SERVICE

An employee hired by the Hospital with recent and related experience may claim consideration for such experience at the time of hiring on a form to be supplied by the Hospital. Any such claim shall be accompanied by verification of previous related experience. The Hospital shall then evaluate such experience during the probationary period following hiring. Where in the opinion of the Hospital such experience is determined to be relevant, the employee shall be slotted in that step of the wage progression consistent with one (1) year's service for every one (1) year of related experience in the classification upon completion of the employee's probationary period. It is

understood and agreed that the foregoing shall not constitute a violation of the wage schedule under the collective agreement.

9.07 (C) – TRANSFORMATION IN HEALTH CARE

Seniority Recognition

Without prejudice to the Union's or Hospitals' rights under the collective agreement or the Labour Relations Act and/or the Public Sector Labour Relations Transition Act, the parties agree that non-unionized employees who are affected (via relocation/transfer*) shall, when entering the bargaining unit, be afforded seniority and service in accordance with the anniversary of their date of hire (or hours worked) from their original Hospital. Such anniversary date shall be calculated in accordance with the relevant provisions of the relevant collective agreement.

Right to Return or Transfer

Employees who are relocated/transferred* to another employer by the Hospital will retain their seniority and service at their original hospital for a 48-month period.

Without prejudice to the Union's or Hospitals' rights under the collective agreement or the Labour Relations Act and/or the Public Sector Labour Relations Transition Act, employees relocated/transferred* shall have the right to post for vacancies that arise, prior to or subsequent to the relocation/transfer*, at their originating Hospital for that 48-month period.

If they are the successful applicant, they will return to the employ of the Hospital with seniority accrued and service intact but not accrued, for the period that the employee was relocated/transferred* to another employer.

*Pursuant to a "Sale of Business" under Section 69 of the Labour Relations Act, or to a transfer pursuant to the Public Sector Labour Relations Transition Act.

9.08 (A) – NOTICE AND REDEPLOYMENT COMMITTEE

(a) Notice

In the event of a proposed layoff at the Hospital of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Hospital shall:

- (i) provide the Union with no less than five (5) months' written notice of the proposed layoff or elimination of position; and
- (ii) provide to the affected employee(s), if any, who will be laid off with no less than five (5) months' written notice of layoff, or pay in lieu thereof.

Note: Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent layoff.

- (b) A layoff shall not include a reassignment of an employee from her or his classification or area of assignment who would otherwise be entitled to notice of layoff provided:

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

- (I) reassignments will occur in reverse order of seniority;
- (II) the reassignment of the employee is to an appropriate permanent position with the employer having regard to the employees skills, abilities, qualifications and training or training requirements;
- (III) the reassignment of the employee does not result in a reduction of the employees wage rate or hours of work;
- (IV) the job to which the employee is reassigned is located at the employee's original work site or at a nearby site in terms of relative accessibility for the employee;
- (V) the job to which the employee is reassigned is on the same or substantially similar shift or shift rotation; and
- (VI) where more than one employee is to be reassigned in accordance with this provision, the reassigned employees shall be entitled to select from the available appropriate vacancies to which they are being reassigned in order of seniority provided no such selection causes or would cause a layoff or bumping.

The Hospital bears the onus of demonstrating that the foregoing conditions have been met in the event of a dispute. The Hospital shall also reasonably accommodate any reassigned employee who may experience a personal hardship arising from being reassigned in accordance with this provision.

- (c) Any vacancy to which an employee is reassigned pursuant to paragraph (b) need not be posted.
- (d) Redeployment Committee

At each Hospital a Redeployment Committee will be established not later than two (2) weeks after the notice referred to in 9.08(A)(a) and will meet thereafter as frequently as is necessary.

- (i) Committee Mandate

The mandate of the Redeployment Committee is to:

- (1) Identify and propose possible alternatives to the proposed layoff(s) or elimination of position(s), including, but not limited to, identifying work which would otherwise be bargaining unit work and is currently work contracted-out by the Hospital which could be performed by bargaining-unit employees who are or would otherwise be laid off;
- (2) Identify vacant positions in the Hospital or positions which are currently filled but which will become vacant within a twelve (12) month period and which are either:
 - (a) within the bargaining unit; or
 - (b) within another CUPE bargaining unit; or
 - (c) not covered by a collective agreement.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

- (3) Identify the retraining needs of workers and facilitate such training for workers who are, or would otherwise be, laid off.
- (4) Subject to article 9.11, the Hospital will award vacant positions to employees who are, or would otherwise be laid off, in order of seniority if, with the benefit of up to six (6) months retraining, an employee has become able to meet the normal requirements of the job.
- (5) Any dispute relating to the foregoing provisions may be filed as a grievance commencing at Step 2.

(ii) Committee Composition

The Redeployment Committee shall be comprised of equal numbers of representatives of the Hospital and of the Union. The number of representatives will be determined locally. Where for the purposes of HTAP (the Ontario Hospital Training and Adjustment Panel) there is another hospital-wide staffing and redeployment committee created or in existence, Union members of the Redeployment Committee shall serve on any such hospital-wide staffing committee established with the same or similar terms of reference, and the number of Union members on such committee will be proportionate to the number of its bargaining unit members at the particular Hospital in relation to other staff groups.

Meetings of the Redeployment Committee shall be held during normal working hours. Time spent attending such meetings shall

be deemed to be work time for which the representative(s) shall be paid by the Hospital at his or her regular or premium rate as may be applicable.

Each party shall appoint a co-chair for the Redeployment Committee. Co-chairs shall chair alternative meetings of the Committee and will be jointly responsible for establishing the agenda of the Committee meetings, preparing minutes and writing such correspondence as the Committee may direct.

(iii) Disclosure

The Hospital shall provide to the Redeployment Committee all pertinent staffing and financial information.

(iv) Alternatives

The Redeployment Committee or where there is no consensus, the committee members shall propose alternatives to cutbacks in staffing to the Hospital's Chief Executive Officer and to the Board of Directors.

At the time of submitting any plan concerning rationalization of services and involving the elimination of any position(s) or any layoff(s) to the District Health Council or to the Ministry of Health, the Hospital shall provide a copy, together with accompanying documentation, to the Union.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

9.08 (B) – RETIREMENT ALLOWANCE

Prior to issuing notice of layoff pursuant to article 9.08(A)(a)(ii) in any classification(s), the Hospital will offer early retirement allowance to a sufficient number of employees eligible for early retirement under HOOPP within the classification(s) in order of seniority, to the extent that the maximum number of employees within a classification who elect early retirement is equivalent to the number of employees within the classification(s) who would otherwise receive notice of layoff under article 9.08(A)(a)(ii).

An employee who elects an early retirement option shall receive, following completion of the last day of work, a retirement allowance of two (2) weeks' salary for each year of service, plus a prorated amount for any additional partial year of service, to a maximum ceiling of fifty-two (52) weeks' salary.

9.08 (C) – VOLUNTARY EXIT OPTION

If after making offers of early retirement, individual layoff notices are still required, prior to issuing those notices the Hospital will offer a voluntary early exit option in accordance with the following conditions:

- (i) The Hospital will first make offers in the classifications within department(s) where layoffs would otherwise occur. If more employees than are required are interested, the Hospital will make its decision based on seniority.
- (ii) If insufficient employees in the department affected accept the offer, the Hospital will then extend the offer to employees in the same classification in other departments. If more employees than are required are interested, the Hospital will make its decision based on seniority.
- (iii) In no case will the Hospital approve an employee's request under (i) and (ii) above for a voluntary early exit option, if the employees remaining are not qualified to perform the available work.
- (iv) The number of voluntary early exit options the Hospital approves will not exceed the number of employees in that classification who would otherwise be laid off. The last day of employment for an employee who accepts a voluntary early exit option will be at the Hospital's discretion and will be no earlier than thirty (30) calendar days immediately following the employee's written acceptance of the offer.

An employee who elects a voluntary early exit option shall receive, following completion of the last day of work, a separation allowance of two (2) weeks' salary for each year of service, to a maximum of fifty-two (52) weeks' pay.

9.09 – LAYOFF AND RECALL

An employee in receipt of notice of layoff pursuant to 9.08(A)(a)(ii) may:

- (d) displace another employee who has lesser bargaining unit seniority in the same or a lower or an identical-paying classification in the bargaining unit if the employee originally subject to layoff has the ability to meet the normal requirements of the job. An employee so displaced shall be deemed to have been laid off and shall be entitled to notice in accordance with Article 9.08(A)(a).

An employee who chooses to exercise the right to displace another employee with lesser seniority shall advise the Hospital of his or her intention to do so and the position claimed within seven (7) days after receiving the notice of layoff.

For purposes of the operation of clause (d), an identical-paying classification shall include any classification where the straight-time hourly wage rate at the level of service corresponding to that of the laid off employee is within 1% of the laid off employee's straight time hourly wage rate.

- (e) In the event that there are no employees with lesser seniority in the same or a lower or identical-paying classification, as defined in this article, a laid-off employee shall have the right to displace another employee with lesser seniority in a higher-paying classification provided they are able to meet the normal requirements of the job, with orientation but without additional training.
- (f) In addition, in combined full-time/part-time collective agreements, a full-time employee shall also be entitled to displace another full-time employee with lesser seniority in a higher-paying classification provided that they are able to meet the normal requirements of the job, with orientation but without additional training, when there are no other full-time employees in the same or a lower or similar-paying classification with lesser seniority, prior to being required to displace a part-time employee.
- (g) An employee who is subject to layoff other than a layoff of a permanent or long-term nature including a full time employee whose hours of work are, subject to Article 14.01, reduced, shall have the right to accept the layoff or displace another employee in accordance with (a) and (d) above.
- (h) No full-time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part-time employees.
- (i) In the event of a layoff of an employee, the Hospital shall pay its share of insured benefits premiums for the duration of the five-month notice period provided for in Article 9.08(A)(a).
- (j) The Hospital agrees to post vacancies during the recall period, as per the job posting procedure, allowing employees on recall to participate in the posting procedure. Should the position not be filled via the job posting procedure, an employee shall have opportunity of recall from a layoff to an available opening, in order of seniority, provided he or she has the ability to perform the work.
- (k) In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner.
- (l) An employee recalled to work in a different classification from which he or she was laid off shall have the privilege of returning to the position held prior to the layoff should it become

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

vacant within six (6) months of being recalled.

- (m) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.
- (n) The Hospital shall notify the employee of recall opportunity by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to be received on the second day following the date of mailing). The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his or her proper address being on record with the Hospital.

9.10 – BENEFITS ON LAYOFF

In the event of a lay-off of a full-time employee the Hospital shall pay its share of insured benefits premium up to three (3) months from the end of the month in which the lay-off occurs or until the laid off employee is employed elsewhere, whichever occurs first.

9.11 – RETRAINING

(a) **Retraining for Positions within the Hospital**

Where, with the benefit of retraining of up to six (6) months, an employee who has either accepted the layoff or who is unable to displace any other employee could be redeployed to a hospital position identified by the Redeployment Committee in accordance with Article 9.08(A)(d)(i):

- (i) Opportunities to fill vacant positions identified by the Hospital Redeployment Committee through retraining shall be offered to employees who apply and would qualify for the position with the available retraining in order of their seniority until the list of any such opportunities is exhausted. Opportunities to fill vacancies outside of CUPE bargaining units may be offered by the Hospital in its discretion.
- (ii) The Hospital and the Union will cooperate so that employees who have received notice of permanent layoff and been approved for retraining in order to prevent a layoff will have their work schedules adjusted in order to enable them to participate in the retraining, and scheduling and seniority requirements may by mutual agreement be waived. The Redeployment Committee will seek the availability of any federal or provincial retraining program funds to cover the cost of tuition, books and travel, as well as any wages eligible under the terms of such program.
- (iii) Apart from any on-the-job training offered by the Hospital, any employee subject to layoff who may require a leave of absence to undertake retraining in accordance with the foregoing shall be granted an unpaid leave of absence which shall not exceed six (6) months.
- (iv) Laid-off employees who are approved for retraining in order to qualify for a vacant position within the Hospital will continue to receive insured benefits.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

(b) Placement

Upon successful completion of his or her training period, the Hospital and the Union undertake to waive any restrictions which might otherwise apply, and the employee will be placed in the job identified in 9.11(a)(i).

An employee subject to layoff who applies but later declines to accept a retraining offer or fails to complete the training will remain subject to layoff.

9.12 – SEPARATION ALLOWANCES

- (a) Where an employee resigns within 30 days after receiving notice of layoff pursuant to article 9.08(A)(a)(ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of two (2) weeks' salary for each year of continuous service to a maximum of sixteen (16) weeks' pay, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of three thousand (\$3,000) dollars.
- (b) Where an employee resigns later than 30 days after receiving notice pursuant to Article 9.08(A)(a)(ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of four (4) weeks' salary, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of one thousand two hundred and fifty (\$1,250) dollars.

9.13 – TECHNOLOGICAL CHANGE

The Hospital undertakes to notify the Union in advance, so far as practicable, of any technological changes which the Hospital has decided to introduce which will significantly change the status of employees within the bargaining unit.

The Hospital agrees to discuss with the Union the effect of such technological changes on the employment status of employees and to consider practical ways and means of minimizing the adverse affect, if any, upon employees concerned.

Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training, with due consideration being given to the employee's age and previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. The employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work whenever possible and may extend for up to six months.

Employees with one (1) or more years of continuous service who are subject to lay-off under conditions referred to above, will be given notice of the impending change in employment status at the earliest reasonable time in keeping with the notification to the Union as above set forth and the requirements of the applicable law.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

This form may be modified by the mutual agreement of the local parties.**

ARTICLE 10 – CONTRACTING OUT

10.01 – CONTRACTING OUT

The Hospital shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting out, a layoff of any employees other than casual part-time employees results from such contracting out.

10.02 – CONTRACTING OUT

Notwithstanding the foregoing, the hospital may contract out work usually performed by members of the bargaining unit without such contracting-out constituting a breach of this provision if the hospital provides in its commercial arrangement contracting out the work that the contractor to whom the work is being contracted, and any subsequent such contractor, agrees:

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

- (1) to employ the employees thus displaced from the hospital; and
- (2) in doing so to stand, with respect to that work, in the place of the hospital for the purposes of the hospital's collective agreement with the Union, and to execute into an agreement with the Union to that effect.

In order to ensure compliance with this provision, the hospital agrees that it will withdraw the work from any contractor who has failed to meet the aforesaid terms of the contracting-out arrangement.

10.03 – CONTRACTING IN

Further to Article 9.08(A)(d)(i)(1) the parties agree that the Redeployment Committee will immediately undertake a review of any existing sub-contract work which would otherwise be bargaining unit work and which may be subject to expiry and open for renegotiation within six (6) months with a view to assessing the practicality and cost-effectiveness of having such work performed within the Hospital by members of the bargaining unit.

ARTICLE 11 – WORK OF THE BARGAINING UNIT

11.01 – WORK OF THE BARGAINING UNIT

Employees not covered by the terms of this Agreement will not perform duties normally assigned to those employees who are covered by this Agreement, except for the purposes of instruction, experimentation, or in emergencies when regular employees are not readily available.

11.02 – VOLUNTEERS

The use of volunteers to perform bargaining unit work, as covered by this agreement, shall not be expanded beyond the extent of existing practice as of June 1, 1986.

The Hospital shall submit to the Union, at three (3) month intervals, the number of volunteers for the current month and the number of hours worked and the duties performed.

ARTICLE 12 – LEAVES OF ABSENCE

12.01 – PERSONAL LEAVE

Written request for a personal leave of absence without pay will be considered on an individual basis by the Hospital. Such requests are to be submitted to the employee's immediate supervisor at least four (4) weeks in advance, unless not reasonably possible to give such notice, and a written reply will be given within fourteen (14) days except in cases of emergency in which case a reply will be given as soon as possible. Employees needing personal leave days for appointments with medical practitioners may utilize the personal leave language. Such leave shall not be unreasonably withheld.

12.02 – UNION BUSINESS

- (a) The Hospital shall grant leave of absence without pay to employees to attend Union conventions, seminars, education classes and other Union business in connection with the administration of the collective agreement provided that such leave will not interfere with

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

the efficient operation of the Hospital. Such leave will not be unreasonably denied.

In requesting such leave of absence for an employee or employees, the Union must give at least fourteen (14) days clear notice in writing to the Hospital, unless not reasonably possible to give such notice.

The cumulative total leave of absence, the number of employees that may be absent at any one time from any one area, and the number of days of absence shall be negotiated locally and are set out in the Local Provisions Appendix.

During such leave of absence, the employee's salary and applicable benefits shall be maintained by the Hospital on the basis of what his normal regular hours of work would have been, provided that the Union reimburses the Hospital in the amount of such salary and applicable benefits within thirty (30) days of billing.

Notwithstanding the above, time spent by the eight (8) Executive Board members and seven (7) Alternate Executive Board members of the Ontario Council of Hospital Unions to fulfill the duties of the position shall be in addition to leave for Union Business under this clause.

Part-time and casual employees will be given full credit for seniority purposes for regularly scheduled hours missed in accordance with this provision.

- (b) In addition to the above, a part-time or casual employee who is attending to union business when not regularly scheduled to work shall be deemed to be on union leave and the amount of such leave shall not be deducted from the number of days of absence identified above. Such part-time or casual employee will be credited with seniority for the number of hours of such leave to a maximum of thirty-seven and one-half (37.5) hours per week. The Union will advise the Hospital of the number of such hours.

12.03(A) - FULL-TIME POSITION(S) WITH THE UNION

Upon application by the Union, in writing, the Hospital shall grant leave of absence, without pay, to an employee elected or appointed to full-time Union office. It is understood that no more than two (2) employees in the bargaining unit may be on such leave at the same time. Such leave shall be for a period of one (1) calendar year from the date of appointment unless extended for a further specific period by agreement of the parties. It is understood that no more than one (1) employee will be from the same unit of the Hospital, subject to operational requirements.

The employee shall be returned to his former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes which would have occurred had the employee not been on leave.

Notwithstanding Article 2.01, the Hospital may fill the vacancy resulting from such leave on a temporary basis.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

12.03(B) – LEAVE FOR OCHU PRESIDENT, SECRETARY-TREASURER, AND FIRST VICE-PRESIDENT

It is understood, however, that during such leave the employee(s) shall be deemed to be an employee of the Union.

During such leave of absence seniority and service shall accrue at seven and one-half (7.5) hours per day to a maximum of thirty-seven and one-half (37.5) hours per week. In addition, during such leave of absence, the employee's salary and applicable benefits shall be maintained by the Hospital on the basis of what his normal regular hours of work would have been, provided that the Union reimburses the Hospital in the amount of such salary and applicable benefits within thirty (30) days of billing.

The employee agrees to notify the Hospital of his intention to return to work at least four (4) weeks prior to the date of such return. The employee shall be returned to his former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes which would have occurred had the employee not been on leave.

The supplement shall be equivalent to the difference between ninety-three percent (93%) of her normal weekly earnings and the sum of her weekly unemployment insurance benefits and any other earnings. Receipt by the Hospital of the employee's unemployment insurance cheque stubs shall constitute proof that she is in receipt of Employment Insurance pregnancy benefits.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

The employee's normal weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours plus any wage increase or salary increment that she would be entitled to receive if she were not on pregnancy leave.

In addition to the foregoing, the Hospital will pay the employee ninety-three percent (93%) of her normal weekly earnings during the **one (1)** week period of the leave while waiting to receive Employment Insurance benefits.

- (d) An employee who is an adoptive parent shall advise the Hospital as far in advance as possible of having qualified to adopt a child, and shall request the leave of absence, in writing, upon receipt of confirmation of the pending adoption. If, because of late receipt of confirmation of the pending adoption, the employee finds it impossible to request the leave of absence in writing, the request may be made verbally and subsequently verified in writing.

An employee shall reconfirm his or her intention to return to work on the date originally approved in subsection (b) above by written notification received by the Hospital at least two (2) weeks in advance thereof.

That benefit shall be equivalent to the difference between ninety-three percent (93%) of the employee's normal weekly earnings and the sum of his or her weekly Employment Insurance benefits and any other earnings. Receipt by the Hospital of the employee's employment insurance cheque stub will serve as proof that the employee is in receipt of unemployment parental benefits.

Where an employee elects to receive parental leave benefits pursuant to Section 12(3)(b)(ii) of the *Employment Insurance Act*, the amount of any Supplemental Unemployment Benefit payable by the Hospital will be equal to what would have been payable had the employee elected to receive parental leave benefits pursuant to Section 12(3)(b)(i) of the *Employment Insurance Act*.

The employee's normal weekly earnings shall be determined by multiplying the employee's regular hourly rate on his or her last day worked prior to the commencement of the leave times the employee's normal weekly hours, plus any wage increase or salary increment that the employee would be entitled to if he or she were not on parental leave.

In addition to the foregoing, the Hospital shall pay the employee ninety-three percent (93%) of his or her normal weekly earnings during the **one (1)** week period of the leave while waiting to receive Employment Insurance benefits.

The employee does not have any vested right except to receive payments for the covered unemployment period. Select the appropriate version of Article 13.01 as follows:

If the parties have agreed to HOODIP (1992 booklets) or equivalent or if the Hospital and the local union mutually agree to replace the existing accumulating sick leave plan with HOODIP or equivalent, insert the following provision as Article 13.01. (In the event of such mutual agreement to replace the existing plan with HOODIP or equivalent, the provision below will become effective on the first of the month agreed to by the local parties and will replace any existing accumulating sick leave program or plan.)

13.01 – HOODIP

- (a) The Hospital will assume total responsibility for providing and funding a short-term sick leave plan equivalent to that described in the August, 1992 booklet (Part A) Hospitals of Ontario Disability Income Plan Brochure.

The Hospital will pay 75% of the billed premium towards coverage of eligible employees under the long-term disability portion of the Plan (HOODIP or an equivalent plan as described in the August, 1992 booklet (Part B)), the employee paying the balance of the billed premium through payroll deduction. - (c) Existing sick leave credits for each employee shall be converted to a sick leave bank to the credit of the employee. The "sick leave bank" shall be utilized to:
 - (1) supplement payment for lost straight time wages on sick leave days under the new program which would otherwise be at less than full wages or no wages and,
 - (2) where a pay-out provision existed under the former sick leave plan in the Collective Agreement, pay-out on termination of employment shall be that portion of any unused sick leave days under the former conditions relating to pay-out,
 - (3) where, as of the effective date of transfer, an employee does not have the required service to qualify for pay-out on termination, his existing sick leave credits as of that date shall nevertheless be converted to a sick leave bank in accordance with the foregoing and he shall be entitled, on termination, to that portion of any unused sick leave days providing he subsequently achieves the necessary service to qualify him for pay-out under the conditions relating to such pay-out.
 - (4) an employee who, as of the effective date of transfer, has accumulated sick leave credits and is prevented from working for the Hospital on account of an occupational illness or accident that is recognized by the Workplace Safety & Insurance Board as compensable within the meaning of the *Workplace Safety & Insurance Act*, the Hospital, on application from the employee will supplement the award made by the Workplace Safety & Insurance Board for loss of wages to the employee by such amount that the award of the Workplace Safety & Insurance Board for loss of wages, together with the supplementation of the Hospital, will equal 100% of the employee's net earnings, to the limit of the employee's accumulated sick leave credits.
- (d) There shall be no pay deduction from an employee's regular scheduled shift when an employee has completed any portion of the shift prior to going on sick leave benefits or WSIB benefits.
- (e) The Hospital further agrees to pay employees an amount equal to any loss of benefits under HOODIP for the first two (2) days of the fourth and subsequent period of absence in any calendar year.

EACH OF THE FOLLOWING PROVISIONS WILL APPEAR IN ALL COLLECTIVE AGREEMENTS REPLACING ANY RELATED PROVISIONS THAT EXISTED IN THE HOSPITAL'S EXPIRING COLLECTIVE AGREEMENT, UNLESS OTHERWISE SPECIFIED.

- (f) Any dispute which may arise concerning an employee's entitlement to any benefits referred to in Article 13.01, including HOODIP and equivalents, may be subject to the grievance and arbitration under the provisions of this collective agreement.

The Union agrees that it will encourage an employee to utilize the Medical Appeals Process provided under the plan, if any, to resolve disputes.

- (g) A copy of the current HOODIP plan text or, where applicable, the master policy of the current HOODIP equivalent, shall be provided to the Union.
- (h) The Hospital shall pay the full cost of any medical certificate required of an employee.
- (i) The short-term sick leave plan shall be registered with the Employment Insurance Commission (EIC). The employee's share of the employer's unemployment insurance premium reduction will be retained by the Hospital towards offsetting the cost of the benefit improvements contained in this agreement."

Note: Provisions 13(c)(3) and 13(c)(4) shall apply for the short and long-term disability plan to those employees in the full-time Collective Agreements who are now on an accumulating sick leave plan. Any Medical/Dental Care provisions currently in the agreement shall be removed.

If the parties have not agreed to HOODIP (1992 booklets) or equivalent (i.e. an accumulating plan currently exists), insert the following provision as Article 13.01:

13.01 – SICK LEAVE

Insert existing sick leave provisions as the first part of this provision.

Payment will be provided only if the employee provides evidence of disability satisfactory to the Hospital and a written undertaking satisfactory to the Hospital that any payments will be refunded to the Hospital following final determination of the claim by the Workplace Safety & Insurance Board. If the claim for WSIB benefits is not approved, the monies paid as an advance will be applied towards the benefits to which the employee would be entitled under the short-term sick leave plan. RE: Extended Tours

1. Twelve (12) Hour Shifts

The parties agree that the RPN's and PSA's will work extended tours pursuant to the following provisions:

- (a) A regular twelve (12) hour shift shall be eleven and one-quarter (11 ¼) consecutive paid hours in any twenty-four (24) hour period.
- (b) Not more than three (3) consecutive extended shifts shall be scheduled. When the Employer requires an employee to work a fourth (4th) consecutive shift, premium pay shall be paid for the fourth (4th) shift and subsequent consecutive shifts until a shift has been scheduled off.
- (c) At least twelve (12) hours' time off will be scheduled between shifts.
- (d) The Employer will provide full time employees who adhere to a master schedule only at least every second (2nd) weekend off in each six (6) week schedule. An employee will receive time and one half (1 ½) for all hours worked on the third consecutive and subsequent week-end until the employee is scheduled a week-end off. A weekend is defined as 2400 hrs Friday to 2400 hrs Sunday as per the Collective Agreement.

Exceptions are when:

- i. Such weekend has been worked by the employee to satisfy specific days off requested by such employee;
 - ii. Such employee has requested weekend work; or
 - iii. Such weekend is worked as a result of an exchange of shifts with another employee.
 - iv. Where self-scheduling applies
- (e) Overtime premiums shall become payable when the hours exceed two hundred and twenty-five (225) paid hours in a six (6) week scheduling period.

Such overtime shall become payable during the pay period in which the additional time is worked.

- (f) RPN's and PSA's may elect to use a self-scheduling model or to have a master rotation. The election of the self-scheduling or master rotation shall be made by vote of the affected employees. The determination of which employee group or groups that will vote will be made by the manager of the affected unit, taking into consideration the expressed wishes of the employees and the operational needs of the Hospital. Vote results shall be determined by simple majority of ballots cast. Once an election is made, the employees may not elect to change the scheduling method for at least a six (6) month period. Departments who engage in self-scheduling will have guidelines that will reflect the input of both parties.

2. Commencement and Discontinuance of Extended Tours

The commencement process does not apply in units where extended tours already exist.

- (a) Extended tours shall be introduced into any unit when, at the request of either party, when:
 - i) Sixty percent (60%) of Part Time and Full-Time staff in the unit vote and seventy-five percent (75 %) of those staff vote in favour by secret ballot after the employees view a draft schedule; and,
 - ii) All proposed master schedules for extended and combination tours shall be submitted to the local president, or designate, to review for the purpose of compliance with the collective agreement. Submission of a proposed schedule is excluded where self-scheduling applies.
- (b) Extended tours may be discontinued in any unit when:
 - i) Sixty percent (60%) of Part Time and Full-Time staff in the unit vote and seventy-five percent (75 %) of those vote in favour by secret ballot; or
 - ii) the Employer because of:
 - a) adverse effects on patient care or on the efficient operation of the work area, or
 - b) inability to provide a workable staffing schedule, or
 - c) where the Employer wishes to do so for reasons which are not unreasonable and states its intention to discontinue the extended and combination tour schedule.
- (c) when notice of discontinuance is given by either party in accordance with paragraph (b) above, then
 - i) the parties shall meet within two (2) weeks of the giving of notice to review the request for discontinuation; and
